## The 2018 Dundas STUDIO TOUR

**Sat & Sun, Sept 29 & 30**  
10 am to 5 pm daily

As artists, we use elements from the earth, such as minerals, clay, wood, and natural fibres, and transform them into inspired items for you to enjoy. This year's theme, **"Down to Earth"**, celebrates a connection with the beauty of our earth.

The Dundas Studio Tour provides a 'young artist' bursary through the Dundas Valley School of Art. This year we are also proud to offer our tour goers an opportunity to support our local food banks with a **food drop** at two locations. See our map for the marked studios.

For details visit our website  
**dundasstudiotour.com** and  
**Facebook.**
